

Consultants(Job Number:DOS002G)

Description

Consultants may be deployed to support task order requirements in discrete areas on a short-term basis. These consultant positions may possess skill sets that are not included in the civilian police advisor descriptions, shall not be subject to the same deployment requirements as advisor personnel, and shall be limited in number and purpose through task order statement of work.

Qualifications

Consultants shall have backgrounds in international development and/or specialized areas that relate to criminal justice assistance and development. Some examples of the consultant's skill sets include:

1. Law enforcement expertise (such as forensics, database management, biometrics, etc)
2. Law reform expertise (such as in specific areas of international law or procedure, civil law)
3. Curriculum development expertise
4. Cultural and linguistic expertise
5. Management expertise (organizational reform, business management, etc)
6. Information technology expertise (such as database, communications, networking, and systems integration)
7. Research
8. Monitoring and evaluation
