

## **General Laborer(Job Number:DOS003S)**

### **Description**

As a General Laborer we offer you the opportunity to work on substantive assignments to support deployed personnel, so they may concentrate on the mission. You will perform general manual labor tasks as assigned to include, as a minimum, support to facilities maintenance, base supply, and transportation functions. Work assignments may include loading, unloading, lifting, and moving materials.

### **Principal Accountabilities:**

- Responsible for executing job assignments, as directed, in the most efficient, and safest way possible.
- Performs assigned work tasks under supervision.
- Prepares construction sites, pours and spreads concrete.
- Performs work as assigned through scheduled and unscheduled work orders/tasks assignments.
- Supports plant production activities in receiving and shipping materials and products
- Maintains tools and equipment, and performs various clean-up and housekeeping activities.

### **Qualifications**

Knowledge and Skills:

- Must be able to speak and understand instructions given in the English language.
- Ability to lift/carry at least 50 lbs.
- Must pass English proficiency test

### **Physical Requirements:**

Living and working conditions at the assignment location could be remote and uncomfortable. Long hours, exposure to weather and hazardous conditions. Personnel should be aware of moving on short notice and under adverse conditions.

### **Experience:**

Typically, two years working as a laborer on facilities or construction projects.

### **Education:**

High school diploma or equivalent.
